What is a Conditional Use Permit?

A Conditional Use is a use or structure that may not be appropriate as a general permit or unrestricted throughout a zoning district but which, if controlled as to number, area, location, or relation to the neighborhood, would promote the health, safety, welfare, comfort, convenience or the general welfare. Each zoning district has a list of uses or structures requiring a Conditional Use Permit.

Where do I Begin?

Consult with the Town Zoning Administrator your interest in a Conditional Use Permit. Town Staff will discuss with you compliance with the Town of Chilton Comprehensive Plan, the criteria for approval, surrounding uses, and possible nonconformities.

What is the Process?

1. Preliminary Consultation (recommended): The purpose of this meeting is to ensure that the applicant is aware of the requirements of the Conditional Use Permit process.
2. Informal Hearing (optional): The applicant may request an informal hearing before the Plan Commission to obtain preliminary feedback on the Conditional Use Permit application.
3. Submittal: The applicant shall submit a complete Conditional Use Permit Application, signed by the property owner or his/her designee. A complete application includes a completed application form, development plans, and applicable fees.
4. Public Hearing: Within 45-days of filing a complete application, the Plan Commission will hold a Public Hearing. Notice of the hearing will be sent to property owners within 300-feet of the subject property, the applicant, and adjacent municipalities. A notice of the Public Hearing is published in the newspaper for 2 consecutive weeks prior to the Plan Commission meeting.
5. Plan Commission Action: At the Public Hearing, the Plan Commission will make a recommendation to the Town Board on the application.
6. Town Board Action: Within 45-days of the Plan Commission recommendation, the Town Board will approve, approve with modifications, deny the Conditional Use Permit or refer it back to the Plan Commission considering the criteria in basis for approval.

What is the Final Action?

Town Board approval is the final action for a Conditional Use Permit.

Basis for Approval. No Conditional Use Permit shall be recommended by the Plan Commission, or approved by the Town Board, unless it shall find all of the following criteria have been met. The applicant's failure to satisfy the criteria, or any other applicable requirement in this Chapter, shall be deemed grounds to deny the Conditional Use Permit.

- a. Zoning. The proposed use conforms to the underlying zoning district intent and design standards and is in harmony with the general purpose and intent of the ordinance.
- b. Plans. The proposed use conforms to the Town of Chilton Comprehensive Plan and any other officially adopted town plan.
- c. Traffic. Adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.
- d. Landscaping and Screening. Appropriate landscaping and screening has been or will be provided to protect adjacent uses or properties from light, noise and other visual impacts that are associated with the proposed use.
- e. Neighborhood compatibility. The proposed use is compatible with the predominant or prevailing land use of the neighborhood surrounding the proposed development and whether the proposed use creates a nuisance due to noise, odor, or dust.
- f. Services. Adequate facilities, access roads, drainage and/or necessary services have been or will be provided.
